

- Our show title meeting was 10/3, and we decided on the title “Pages of Us”!
- If you’d like to register for the Medallion workshop “Introduction to Personal Branding & Networking”, your attendance will count towards negating one unexcused absence.
- Next semester will feature a moved-up proposal and rehearsal schedule so that everyone has enough time to teach and learn choreography. We were originally going to have only 5 rehearsals per dance before the show, but now we’ll have more.
- The choreography policy has been updated to match the most recent version.
- Co-sponsorships are ROC Players and Dining Team Green.
 - ROC Players are performing on 11/7, 11/8, and 11/9 at 7:30 PM. Please attend a show, we need at least 4 members to go for each show.
 - Dining Team Green is doing a Thanksgiving-themed community kitchen event on 11/25 at 5:00 PM. It will be lots of fun, and you’ll get free food if you go.
- If you’re a choreographer, remember to fill out your costume form.
- The Discount Dance order will follow the costume form completions and submissions.
